

**Details of our involvement with the Parents Association this school year 2022/2023. A special thanks to Ms Finn for her support to us all this year. We couldn't of done all this without her.**

\* Our PA members continued to get support from businesses for donations towards the walking track. We had a fantastic year getting donations towards this walking track and we thank everyone who took the time to donate.

\* Santa in the Sensory Garden which was an outstanding event. This was our first big event and we were very proud of it.

\* PA members were involved with the Ty shows on all 3 nights. All Pa members got spot prizes for the 3 nights. Pa looked after on the nights selling raffle tickets, teas/coffees, shop, and just been there for support for our Ty girls.

\* All PA members were provided with the schools "Child safeguarding statement". At our meeting in March each member had the chance to read over this statement.

\* We had the opportunity to help at the 1st year parent teacher meetings with teas and coffees. It was great to get to know all the parents & have a chat before the meetings.

\* PA members were also involved with help & support for donations for the incredible spinathon/sleepover in the school May 4th. Which was a huge success.

\* We continued to have evening meetings every 4 to 6 weeks to touch base on how everything is going. We also set up a "St Mary's Parents Association Facebook page". A place to share our own events & school events for all parents and the public.
